

# NINERS' NOTES

April, 2009 Vol. 9 Issue 4

## Greetings to all SaddleBrooke Niners

March was a busy month! We held our Club Championship playoffs, along with Aces of the Month, and began preparation for the President's Cup.

For those of you who were not aware, the reason we scheduled so many of our special events in the beginning of this year was due to the planned closure of the SaddleBrooke course in August 2009. The plan, at that time, was to replace of all the greens and fairways. During March of this year we were informed that the plan to shut down the SaddleBrooke Course has been postponed. So for the remaining of 2009 the only thing we will have to work around is overseeding. That schedule has yet to be announced.

Our Presidents Cup was postponed since we only had 15 of our members sign up to play. I have selected a group of our members to participate in a Task Force that would consider all the possibilities of how to run the President's Cup. I have asked them to think outside of the box and to recommend to your Board how to run our event in the Fall. Keeping in mind that the goal is to have it be fun and encourage a large participation. I am hopeful that we can turn this Tournament into a high participation event. If you have any ideas that you would like to submit to this task force, please let me know. I will try to have the recommendations completed and announced by May of this year.

We already have a nice turnout for our Ladies Choice event. A big thank you goes to Julie Egolf for getting us twilight rates. What a savings! A fun event is being planned by a great group of our Ladies. There is still time to sign up. It promises to be an enjoyable afternoon.

Our LAGOS event is in the beginning stages of being planned. Mark your calendars for May 19th. More information will be coming out soon.

Since our calendar had to be readjusted, I am sure you've noticed it has been difficult to schedule any member meeting luncheons. Our current plan is to have one in June. Char Crossman has lots of pins and recognition to give out and we want all our Aces and Club Championship winners to be awarded their trophies and certificates.

Congratulations to our March Aces; Brenda Brown for low gross and Donna Martin for low net. You still have several months left to be a Ace winner. Good luck to all of you.

Mary Crooks is our 2009 Club Champion! Mary played three very impressive rounds and emerged as the front runner the very first day! Nice job!

Happy Easter to all of you!

**Your President,  
Abbie Egolf**

## Ladies' Choice

Don't forget to sign up for the Ladies' Choice event on April 28<sup>th</sup>. If you don't have a partner, not a problem. Just sign up on the bulletin board and Gloria Eby will find a gentleman for you. She has a list of several men who would love to play.

The 18 holers need the course in the morning for a major tournament so we are playing in the afternoon. Lunch registration is from 10:45 to 11:15, lunch at 11:15 and golf at 1:00. Lunch is BBQ pork sandwiches, potato salad, Cole slaw, carrot cake with a drink station offering iced tea, lemonade and coffee. After golf we will all gather for chips and salsa in the RoadRunner Grill where

a margarita special will be offered (\$4.00). Other drinks will be available too if you're not into margaritas.

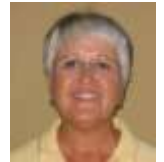

And, thanks to Sharon Wilson going to "the powers that be", we will just have to pay Twilight Rates or one punch on our punch cards for golf that day. Be sure to say thanks to Sharon when you see her.

So, sign up to play by April 21<sup>st</sup>, with or without a partner, deposit your \$42.00 in the 9er's drawer, and mark your calendars.

### Golf Committee/Newsletter

Maria Byers

I have been a member of the Niners since 2000 and have enjoyed all the wonderful friends I have made and have also loved being involved. Having held various offices and having chaired different events has certainly kept me involved.

Early in January I was contacted by Clark Hall, chairman of the Golf Committee, and asked if I would be interested in serving on the Golf Committee. The Golf Committee's purpose is "To advise the Golf Professional, General Manager and Board of Directors in promoting golf for all interested homeowners of HOA #1 and HOA#2". Its areas of focus are: Golf Programs, Pro Shop Operations, Golf Course rules and regulations, Golf Course usage and Golf Course revenues and expenses. I strive to keep in mind the needs and welfare of all SaddleBrooke golfers while not forgetting the particular needs of the Niners. At the Niners monthly board meeting I report what happened at the last Golf Committee meeting. If you have any concerns or comments that you feel should come to the Golf Committee please contact me and I will be happy to convey them to the committee. The Golf Committee meets on the first Friday of every month at 8:00 am and is an open meeting.

The Niners Notes and the Niners Handbook are other tasks I enjoy. I don't do the writing I just put all the articles I receive and put them together. You might have noticed changes in the format of the Notes. I am trying to make it more interesting and easier to read.

The Niners Handbook is always a big undertaking with lots of details. This year Abbie Egolf and I read and reread it before it was printed. There are always some mistakes (like a phone number for a street address) that don't get caught. Thank you for your patience in this regard and I will do better with 2010's.
