

NINERS' NOTES

August, 2009 Vol. 9 Issue 8

Greetings,

So far it's been a "hot" summer. I recently visited Minnesota where it was cold and rainy. What a wonderful break from our heat. It was extremely difficult to get readjusted.

I'd like to share the results from our latest survey. We had about 50% response from our membership. The Executive Board would have liked to have seen more participation, however, those that responded voted overwhelmingly with "yes" votes to the following items: We will be having a 2010 Invitational

Then our Invitational's will be Bi-Annual and will be coordinated with Mountainview Niners so there will always be an Invitational in our SaddleBrooke Complex.

We will participate in Cancer Day with all of the Golf Organizations and not host our own Rally For The Cure.

The best news was the overwhelming response by the participants to being a volunteer in future years. We have taken those names that stated they would be willing to serve and have given them to the 2010 Nominating Committee for consideration to next years' Board. Thank you so much! Once the nominating committee has their recommendations completed the slate will be presented to you and then we will wait for 30 days before we vote.

Our Niner/Sputter Fun Day Event is on September 8th. This year the Sputters' will host this event with Marion Ramsey as the Chairperson. We will begin at 9:00 with golf, followed by an 11:30 luncheon. The cost will be \$15.00 per person which will include all prize monies. The cutoff date for sign up will be August 31st. We have always had a fun time with this event and I would like to encourage all of you to please sign up.

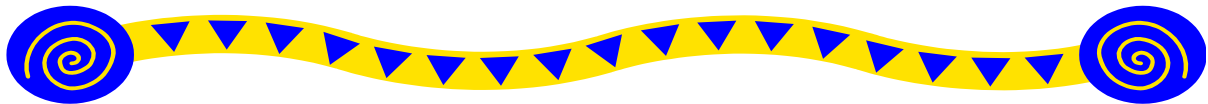

Our spouse/partner event will also be held in September and is being planned by Mary Ann Davenport. This is an evening event and we are trying to plan it so you will meet everyone attending. This Social event will be designed to meet others within our Organization and mix it up with those we are not familiar with.

Our President's Cup has been completed. We were able to get more participation with our new format but still lack a great response. We had three flights this year. The new format appears to have been positively received by all participants. This is our second biggest event of the year and I'm hoping word gets out it is a fun event where you have a chance to win big money no matter your handicap or flight. I have recommended that we move this event to either the spring or fall for 2010.

The overall winner is Abbie Egolf. First Flight Winners were Ann Irwin - 1st place and Gloria Eby - 2nd place. Second Flight Winners were Opal Larkin - 1st place and Ruthie Klomp - 2nd place. Third Flight Winners were Mary Ann Oeschger - 1st place and Sheila Burke - 2nd place. We were sorry to see Janet Rasmusson drop out because of back problems and Joni Campel because of a family emergency.

Please remember our Niners who are struggling with health issues. I wish all of them a speedy recovery - hurry back!

Abbie Egolf
President
