

**MAY RULES REMINDER**  
**Submitted by Jeannie Zetterberg**

**Consideration for Other Players on the Putting Green**

**Players should always show consideration for other players on the course and should not disturb their play by moving, talking or making any unnecessary noise. Players should ensure that any electronic device taken onto the course does not distract other players.**

**On the putting green, players should not stand on another player's line of putt or cast a shadow over the line of putt. Players should not stand close to or directly behind the ball of another player or directly behind the hole when a player is about to putt.**

**The first player to hole out should position herself near the flag and be ready to place the flag back in the hole when all players have holed out. Players should remain on or close to the putting green until all other players in the group have holed out. While the flag is being replaced, players should quickly assist in picking up equipment on the green or near the green to enable a prompt exit from the hole.**
